**Subject:** Quickr Trainins for Bristol Bay Technical Team

Kol,  
Michael and I already talked about this. I am hoping that the two of you can give a quick lesson to the Bristol Bay Technical Team. We will all be meeting in Anchorage on 3/17, so it is a good opportunity to learn together. A couple of people seem to have a good grasp of this kind of software, but others are old timers for whom computers are still a bit of a mystery. After a bit of instruction I am hoping that we can create the files we all need.

I hope this timing works for you.

Phil
